

9th August 2019

Bliss Brickwork and scaffolding are delighted to announce the new appointment of Simian Risk Management Ltd as our new Independent Health and Safety consultants. This appointment will ensure our high standard and commitment to Health and Safety together with training will be raised. Simian Risk are market leaders in scaffolding training and Health and Safety with their expert knowledge of Kwikstage scaffold.

A full safety audit has already been completed throughout our company with monthly site inspections due to be undertaken.
